

Section 3 – External Auditor’s Report and Certificate 2025/26

In respect of **Lytham Town Council – LA0254**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2025/26

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR has not been approved in accordance with the Accounts and Audit Regulations 2015:

- The date/minute references indicate Section 2 was approved before Section 1.

The AGAR was not accurately completed before submission for review.

- The smaller authority has confirmed that the response to Section 2, Box 11 is incorrect and should be ‘Yes’ as they are not a sole managing trustee.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year’s AGAR.:

- Information received from the smaller authority indicates that assets purchased during the year have not been included in Section 2, Box 9.

Information has come to our attention from the internal auditor highlighting the fact that the council does not have an investment strategy. As a result, Section 1, Assertion 1 should have been ticked ‘No’.

Section 1 Assertions 4 and 7 should have been answered ‘No’, since the smaller authority was established in May 2025, and there was no exercise of elector’s rights in the prior year, and no prior year audits took place. This is consistent with the Internal Auditor’s response to Internal Control Objectives M and N.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority was established in May 2025 and the prior year comparatives on the AGAR were £nil and therefore did not undergo a review in the prior year.

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026.
